

**Amendments to the Specification:**

Please replace paragraph [00027] with the following amended paragraph:

[00027] The subject matter of the invention is explained in greater detail by means of a preferred embodiment making reference to Figure 1 of the drawing, which shows an embodiment of the novel bag in accordance with the present invention. Figures 2A to 2C show respectively, oval, square and circular windows in the novel bag.

Please replace paragraph [00036] with the following amended paragraph:

[00036] Alternatively or in addition the outer layer of cellulose can be interrupted in one or more side areas 3 in order to provide side windows on bag 1. As shown in Figs. 2A to 2C, respectively, an oval window 5, a square window 7 and a circular window 9 is provided in a side of the bag 1.
